ORDER

WELCH, Chairman; NUGENT and HUNT, Commissioners

On May 12, 1998 the Guilford-Sangerville Water District (the District) filed with the Commission its application for authority to issue its bond in a sum not to exceed \$692,000 through the State Drinking Water Revolving Loan Fund, administered by the Maine Municipal Bond Bank, at an annual rate not to exceed 5.0%. The debt will be paid over a term not to exceed 30 years. The District also requests approval of a bond to be issued through the United States of America, Rural Development in a sum not to exceed \$500,000 at an annual rate not to exceed 4.5 percent over a term not to exceed 40 years.

The District requires these funds to construct a new 500,000 gallon concrete reservoir to replace the current standpipe located off Hudson Avenue in Guilford to comply with the Safe Drinking Water Act and to replace 10,000 feet of water main throughout the system.

Pursuant to an Amended Delegation Order dated January 9, 1996 in Docket No. 93-169, the Commission delegated to the Director of Finance its authority under 35-A M.R.S.A., chapter 9, and 11, to approve water utility financing applications, including those that involve mortgaging utility property, for MMBB, RECD and their successors. This delegation in no way limits the Commission's authority to review the decision of the Director of Finance pursuant thereto or to directly consider requests for variations. The Director of Finance's approval shall be in the form of an Order, copies of which shall be maintained in the files of the office of the Administrative Director.

Having reviewed the application of the District, together with data filed in support of it, it is the opinion of the Commission that the proceeds of the issuance of the bonds are required in good faith for the purposes enumerated in 35-A

M.R.S.A. § 901. In approving these securities issues, consistent with normal practice and pursuant to § 902(4), the Commission does not imply approval of the District's capital needs or capitalization ratio for ratemaking purposes, nor does this Order limit or restrict the powers of the Commission in determining or fixing any rate.

Accordingly, pursuant to the Amended Delegation Order dated January 9, 1996, in Docket No. 93-169, I

O R D E R

1. 2. The District is also hereby authorized to issue its bond in a sum not to exceed \$500,000 through the United States of America, Rural Development, to be used solely for the purposes described in this Order, at a rate not to exceed 4.5 percent, for a term not to exceed 40 years.

3. That the District report to the Commission in writing its doings pursuant to this Order within sixty (60) days of the date of the issue of the proposed bond, or by October 30, 1998, whichever may come first.

4. That a copy of this Order be mailed to interested parties and this Docket be closed.

Dated at Augusta, Maine, this 20th day of May, 1998.
